CT Public Universities - Free Application Day - November 1, 2023 Any student planning on applying to any Connecticut public university will have their application fee waived if they apply on November 1st. School counselors will be hosting a **CLICK & SUBMIT event** for seniors during the school day in the Cafeteria during **H period**- There will be prizes, music, snacks and more!

Attention Seniors! Early Action and Early Decision deadlines are around the corner! If you have a November 1 or 15 deadline, make sure that you've **requested your transcripts** through Naviance. Use this link for directions on how to request transcripts, [Transcript Request directions](#). Make sure that you've spoken to your counselor if your college requires a **counselor letter of recommendation**. If you have not scheduled your senior check in, click [here](#) to access your school counselor's calendar.

AP Payment & Registration Information was handed out to parents during Open House and given to students during class. The deadline for returning the form and payment for AP tests was today, **October 20th**. Please contact your child's school counselor with any questions.

Juniors & Seniors: Throughout the Fall we have **College Representatives** coming to Morgan to meet with YOU! The person that visits is usually the admissions representative that reads the applications from our school! It's a great opportunity to learn more about a school you are interested in. Scheduled visits are listed in Naviance, on the school televisions, and in the School Counseling office. Here is the link for Naviance: [Naviance - Morgan](#).

SCHOOL COUNSELING UPDATES CONT'D

School counselors visited **Freshman Experience** class this week to facilitate discussions around career exploration. Ninth grade students completed the **Career Cluster Finder in Naviance** and accompanying activities. CONGRATULATIONS TO...MORGAN BOE STUDENT REPS

BOE Student Representative for the 2023-2024 School Year are senior Maddie Sacta Guartazaca and junior Mason Jakober. Their first board meeting was Monday, October 16. CLASS OF 2025 - VOLLEYBALL TOURNAMENT

The Class of 2025 hosted a volleyball tournament Thursday night. The event had a great turnout and was a huge success! All 10 teams that competed really showed their skills, but Team Pugo (Melanie P, Jack B, Kevin C, Juan V, Patricia M, Michael M, David D, Esteban O) edged out Team DaRos to clinch this year's title! The Class of 2025 would like to thank everyone who came and made this a great event!

CLUB CORNER - INTERACT CLUB

The Interact Club provided and sold concessions at the Volleyball Tournament for the Junior Fundraiser.

IN THE CLASSROOM

Morgan students have been making some amazing art! Drawing & Painting I recently finished their Close-Up Eye drawings in charcoal. Jewelry Design & Metalsmithing were creating pairs of Wire & Bead Earrings. Sculpture I students are putting the finishing touches on their Louise Nevelson-Inspired Assemblages. Sculpture II used Celluclay to create Giacometti-esque Figures. Advance Art Portfolio showed their skill by painting Self-Portraits Inspired by a Famous or Notable Artist.

IN THE CLASSROOM

Chad Greenlee, a graduate of the Yale architecture program and the current Dean at Paier College in Bridgeport, came into the Honors Humanities course to help students design and build a remodeled Pearson building. He provided a quick lecture on past architecture design projects, discussed presentation skills in the professional world, and met with individual groups to provide advice on their ideas. Students will begin presenting their ideas next week.

NOTES FROM THE HEALTH OFFICE

Respiratory season is upon us and as we transition to the colder season we want to remind you of some helpful information:

WHAT FAMILIES CAN DO TO STAY HEALTHY AND STRONG:

- Conduct frequent hand washing throughout the day.
- Cover your cough and sneeze.
- **Keep children home from school** if they are not feeling well (fever, cough, congestion, stomach issues) . See Clinton Public Schools website for more information on when to send your child to school [Guidelines for staying home due to illness](#)
- Have your child immunized for the flu. Families can take advantage of using the Connecticut River Area Health District. Open this link for more information: [Flu Shots](#)
- The influenza vaccine for school entry is required each year between August 1st and December 31st for all children enrolled in Pre-K. Please schedule your child's flu vaccine now to avoid disruption to school attendance after December 31, 2023

We can all work together to keep our school year healthy, safe and strong.

NOTES FROM THE HEALTH OFFICE CONT'D

Screenings for Vision and Hearing:

The Connecticut state statutes mandate that students be screened for potential barriers to education in the schools. The most common problems which can be detected and for which early intervention can be successful are vision, hearing and posture. The school nurse is responsible for conducting and overseeing these screenings in each school.

Hearing and Vision screening will be done towards the end of October. As in the past, the Clinton Lions Club will come to the schools to use a spot screener to screen for vision. It is a quick and easy procedure where a volunteer takes a quick picture of your child's eyes and instantly can record any deficiencies. All abnormal results will be sent home for a follow up evaluation.

Hearing is conducted by the RN in the schools. Any abnormal results will be rescreened at a later time during the next month. If the hearing screening reveals a deficit, parents/guardians will be notified for further evaluation.
